Data Protection

I understand that these details will be held electronically as part of a membership database and that my email will be added to the Stempra email user group. Stempra will use the information you provide to facilitate the circulation of our services, related information, and for analysis of its membership. We would also like to have the option to contact you by mail, email or by telephone with details of various stempra related activities. We will not pass your data onto any third party. Please check this box if you do not want to be contacted by email (but remember that notification of Stempra's regular events is only by e-mail to the membership).
